

About ClearOne Advantage: Is this legal?

Absolutely. This is a completely legal process. For most of our clients, it is the only effective way to become debt free. Without the use of debt negotiations, bankruptcy would be the only option left for many our clients. Through our negotiation efforts, the creditors do recover a portion of the amount owed. So this is a win-win situation for both client and creditor.

Keep in mind however, that ClearOne Advantage is not a law firm and we cannot give legal advice.*

** Disclaimer - Individual results may vary and are dependent on successful completion of program and ability to save funds. ClearOne Advantage does not assume or pay any debt, nor does it provide legal advice or offer credit repair. Read and understand the contract terms before enrolling.*
